These documents contain information which the Examiner may consider to be important in deciding whether to issue a patent in the instant application.

Also attached is a European Search Report and Annex to the European Search Report dated June 25, 2008, for corresponding European Patent Application EP 04 25 1967. The present Information Disclosure Statement is being submitted in compliance with 37 CFR 1.56 as an Examiner might consider any cited document important in deciding whether to allow the application to issue as a patent, but the citation of each document is not to be construed

as an admission that such document is necessarily relevant or prior art. No representation is intended that the cited documents represent the results of a complete search, and it is anticipated that the Examiner in the normal course of examination, will make an independent search and will determine the best prior art consistent with 37 CFR 1.104 (a), and in the course of such search will review for relevance every document cited on the attached form even if not initialed.

As this statement is being filed after the issuance of a Notice of Allowance but before payment of the Issue Fee, please charge a fee of \$180.00 to Deposit Account 50-1290, in accordance with 37 CFR 1.97(d) and 1.17(p) along with a statement in compliance with 37 CFR 1.97(e).
